OFFICIAL NEWSLETTER FOR PATHS TO INDEPENDENCE SCHOOL

## Principal's Note:

As we wrap up the 2021-22 school year, I would like to spotlight PTI's amazing staff who have worked tirelessly to teach our children and keep them safe. Thank you to our teachers, instructional supervisors, support staff, office staff, and custodial staff. You have done an excellent job finishing out the year!

I also want to congratulate our seven graduates: Jett, Sam, Kaleb, Eric, Malcom, Jeremy, and Zach. All of you have been at PTI for several years, and it has been so fun watching you grow from children into adults. We are all so proud of you and looking forward to seeing where your path to independence leads you!
